## Department of Chemistry Report on Two Days National Workshop on Water & Soil Analysis

Nowadays it is inevitable for us to move along with the advancement of technologies in various domains and learning beyond curriculum is the necessary thing for learners. To achieve these expectations Department of Chemistry and Devachand College Arjunagar Maharashtra jointly organised two days National Workshop on Water & Soil Analysis on 13<sup>th</sup> and 14<sup>th</sup> July 2022.

Dr. Atulkumar Kamble delivered a lecture on soil and water analysis and elaborated pH of water and soil and improvement of the fertility of soil.

Department of Chemistry has sent the students for the practical training on Water & Soil Analysis at P. G. Laboratory Devachand College Arjunagar. During practicals students were exposed to measure the factors like acidity, turbidity, suspended particles, pH & conductivity etc and handled sophisticated instruments like absorption spectrophotometer, pH meter, conductometer, Kjeldahl's apparatus and flame photometer. 138 students have attended the workshop.
