**Alumni-Association of the college** 10 MAR 2015

Alumni share a very special bond with their alma-matter. The college where one studied during impressionable age of prime of their youth, is as dear to the former student as his place of childhood upbringing, parents and dear friends. The former students have their roots in their former educational institutions that have supplied the academic nutrition to shape their careers and lives.

In USA and European countries Alumni form the backbone of their former learning centers. Most of the globally renowned centers of academic excellence function with funding by their respective Alumni. But in our country situation is not on par with European and US counter parts because of socio-economic status of our former students.

However, the situation is changing fast. Our nation is catching up with global super powers and is poised to assume a central role on the central stage of the international comity. Many of our nation's prominent Alumni like Mrs. Sudha Murthy, Dr. Nandan Nilekani, Shri. Narayan Murthy, Premji, Ratan Tata have set the trail blazing path by acting as benevolent Alumni of their Alma-maters. But an alumnus can contribute in a good number of non-monetary terms also.

Our institution has a long list of prominent Alumni. A vast number of them evince keen pro-active interest in the meaning fully productive functioning of our college. So far, the college has produced more than 12,000 graduates of

Conti.. 2

different streams. A good number of them have been successful in the profession and businesses of their choice. They have been pro-actively involving themselves in the activities of our college. Some of them prominent practicing allopathic medicine men. A fairly large number are CAs and college teachers. Shri. Shankar Bidri, the chief of our state's police force, is an Alumnus of our college. A number of them are our Local Governing Body's active members. A vast number are teachers and lawyers. We are proud of our alumni. They are proud of their Alma-mater.

### **Objectives:**

- a. Providing opportunities and fare to the former students to involve themselves in the activities of the college.
- b. To seek suggestions for improvement of our curricula, academic programmes and add- on courses to fine tune the skills and knowledge of our students.
- c. To give the forum to Alumni to meet their long time college mates and their teachers and share their experience.
- d. To raise additional funds to improve the infrastructure and learning resources and institution of prizes and scholarships.

### **Constitution (Bye-laws) :**

1. Principal of the college shall be the ex-officio President of the association.
2. One of the staff members (teaching) shall be the Honorary Secretary of the association.
